

## **ARIZONA ARSENAL SOCCER CLUB FINANCIAL AID APPLICATION/CONTRACT**

Arizona Arsenal Soccer Club (AASC) is a non-profit volunteer-based organization. AASC makes need-based financial aid available for players who need financial assistance to participate in the Arizona Arsenal Soccer Club. When AASC provides financial aid to athletes, AASC requires that the parent(s) and/or athlete participate in all AASC and team fundraising activities as well as volunteering at AASC and the team level. Fundraising activities may include but not limited to car washes, golf tournaments, raffle ticket sales, and any other fundraiser in which the team or AASC participates. AASC schedules various events during the year relying on volunteers: Arsenal Challenge Younger tournament, Arsenal Challenge Older tournament, Community Games, Golf Tournament/ or other fundraising events, Senior Dinner event, Uniform sizing event and AASC Try-Outs. You will be required to work a minimum of two (2) events for AASC in addition to completing your team responsibilities for these events. The 2021-2022 year will also include several Legacy operating tournament events that will rely on volunteers as well.

### **Applicant agrees to the AASC Financial Aid Policy as follows:**

1. AASC will approve financial aid based on a player's financial need as the AASC operating budget allows.
2. Based on the financial aid approved to each player, you are required to complete the number of volunteer hours listed on the Financial Aid Volunteer Hours worksheet (Attachment A). The total hours may be divided between the team and AASC. Volunteer hours may be completed by the parent or other adults on behalf of the player/parent. At the approval of the Volunteer Coordinator, players may complete a limited number of volunteer hours.
3. If you receive financial aid, it will be applied toward your registration/training/facilities/program fees. You are still responsible to pay all team fees and pay for your child's uniform. Please refer to the cost information page on the AASC website. (For example, if your child is on a U12 Teal Team, your cost for the registration/training/facilities/program fees is \$1,875. If you are approved for \$750 in financial aid, \$750 would be deducted from the \$1,875 and you would be required to pay \$1,125. In addition to the \$1,125, you are required to pay all team fees and uniform costs. In this example, the parent would be required to complete 21 volunteer hours.)
4. Financial aid applications must be signed by parent, player's coach, and team manager and submitted to the financial aid committee via the following e-mail address: [aascfinaid@gmail.com](mailto:aascfinaid@gmail.com).
5. Volunteer hours are dependent on the amount of financial aid approved. If a family has more than one player who has received financial aid, the number of hours would increase according to the number of players from that family receiving financial aid. For example, if a family has two players that have each received financial aid, the family must provide the equivalent number of hours of volunteer time for each player as outlined in the Financial Aid Volunteer Hours worksheet (Attachment A).
6. A report of volunteer hours completed must be made by the parent to the team manager and AASC volunteer coordinator monthly. Any family not participating could have their player's pass pulled by AASC and he/she will not be able to play until the report is made. A failure to report the hours will be deemed as not completing hours.
7. If volunteer hours are not completed by June 1st of the seasonal year for which the financial aid was approved, AASC will begin proceedings to have the player placed in bad standing with Arizona Soccer Association (ASA). Being placed in bad standing means that the player will be unable to register and play with any ASA affiliated Club in Arizona until they repay the prorated share of the financial aid to the Club.
8. If volunteer hours are not completed during the seasonal year, the player is ineligible for future financial aid from AASC.
9. If financial aid is approved, you will be required to attend a mandatory meeting to go over the expectations and responsibilities as outlined above. Failure to attend this meeting may result in the forfeiture of financial aid.

Applicants must complete all fields.
